ABOUT THE iLLUSTRATOR

Sinéad is a Gaelic name that is pronounced "Shinade." When not teaching people how to pronounce Gaelic words, Sinéad can usually be found following artistic pursuits such as drawing illustrations, sewing dolls, and building ladders to the moon. If production continues at the present speed, she should reach the moon by the year 2150. That is supposing she lives that long and the ladder doesn't fall over.

Sinéad graduated from UC Berkeley with a degree in Studio Art.

Our mission is to accelerate creativity and elevate imagination through the use of richly illustrated textless books that inspire original stories. We strive to increase courage and self-confidence in WRiTE BRAiN authors all over the world.
