ABOUT THE ILLUSTRATOR

DAVID A. ZAMBRANO is a young artist living in his small hometown of Lawndale in California. As a child, David had an intense fascination with prehistoric creatures, mainly dinosaurs, and dreamed of being a paleontologist. Since then, David has found his passion in drawing and illustration and hopes to become an animator one day. For now, he spends his time doodling, playing video games, and studying animation at Loyola Marymount University.

Our mission is to accelerate creativity and elevate imagination through the use of richly illustrated textless books that inspire original stories. We strive to increase courage and self-confidence in WRiTE BRAiN authors all over the world.
